

# Mr.YUPYCHIL DOOR LIGHT

Open the door,  
and Mr. Yupychil the astronaut will light up your doorway!

Mr. Yupychil the astronaut is now available as a door light!  
Attach him onto doors and he will automatically light up whenever you open or close the door.  
Let Mr. Yupychil brighten up your dark entrance ways, or use him as a night light.

Light will turn off automatically after approximately 20 seconds.

Hook hole and magnets allows Mr. Yupychil door light to be placed on various surfaces.

The arms and legs can be used as hooks to hang keys and other small items.

※Max weight capacity approx. 80g

Ideal as a night light for space loving children
